Bridge Project 727—Arras Bridge, Over Kiskatinaw River, General Contract

SEALED TENDERS, marked "Tender for Bridge Project 727—Arras Bridge, General Contract," will be received by the Minister of Highways in his office at the Parliament Buildings, Victoria, British Columbia, up to 2 p.m. (Pacific Daylight Saving time) on Friday the 28th day of May 1971, and opened in public at that time and date.

The contract comprises the complete construction of a 320-foot two-lane cable-stayed bridge. In general, the work to be carried out consists of the construction of one pier founded on steel H-piles, an anchor slab and two abutments founded on spread footings, the placing of fill for the east abutment, as well as the supply and erection of a 100-foot precast-concrete tower, of four precast-concrete girders for the 80-foot anchor span, and of the structural steework for the 240-foot main span, including the supporting cables, and the construction of the concrete deck.

Plans, specifications, and conditions of tender may be obtained from the Provincial Government Plan Viewing Room, 108, 501 West 12th Avenue, Vancouver 9, British Columbia (telephone 879-7531), or from the undersigned for the sum of \$10 (cheque or money order made payable to the Minister of Finance), which is not refundable.

Construction of this contract shall conform to the requirements of the applicable sections of the Department of Highways "General Specifications for Highway Construction." If the bidder does not already have a copy of these specifications, one may be obtained from the Provincial Government Plan Viewing Room, Vancouver 9, British Columbia, or from the undersigned for the sum of \$10 (cheque or money order made payable to the Minister of Finance), which is not refundable. All copies purchased are registered and amendments are forwarded when issued.

Each tender must be accompanied by a bid bond in an amount equal to 5 per cent of the tender price. This bond shall be forfeited if the tenderer declines to enter into a contract if called upon to do so. A performance bond and a labour and material payment bond, each in the amount of 50 per cent of the tendered sum, in a form acceptable to the Minister of Finance, must then be provided by the successful bidder prior to the award of the contract.

Tenders must be made out on the forms supplied and enclosed in the envelope furnished.

The tender submitted is irrevocable for 60 days and may not be altered, amended, or withdrawn for any cause without the written permission of the Minister.

Tenderers are advised that all bidders will be required to satisfy the Minister of Highways, in writing, that they have the necessary qualifications to successfully perform the work. It is preferred that tenderers submit with their tenders a list stating the type, capacity, and present location (so that inspection can be made if necessary) of the equipment in their possession or at their disposal which is immediately available for the carrying-out of the work within the time limit

specified without in any way curtailing or delaying any Departmental project that may be under contract at this date.

No tender will be accepted or considered which contains an escalator clause or any other qualifying conditions, and the lowest or any tender will not necessarily be accepted.

It is preferred that tenderers submit with their tenders a schedule of proposed construction operations showing estimated monthly progress for each phase of the construction work.
